

2020 Junior Program Covid19 guidelines;

Safety is our priority; Windsor Golf Club will certainly do our best to make this time as safe as possible. It is very important for all of us to follow these rules so that we will be able to continue to practice and play as a group during these unusual times.

Please Note – These guidelines are subject to County of Sonoma mandates and thus may change at any time. It is extremely important to read through the following points of interest.

- Please adhere to the recommended 6ft of separation at all times prior to and during class.
- Students are encouraged to bring their own clubs along with water bottle or other beverage.
- Sharing of equipment and other personal items (beverages, snacks, etc.) during class will NOT be allowed.
- Clubs will be provided to students when needed, this equipment will be sanitized following each class.
- Please bring a mask and have available to wear at all times when inside the pro-shop or clubhouse.
- Touching between non-family member students (brothers, brother/sister, etc.) is closely monitored and discouraged.

A student's blatant and/or repeated disregard for any of the above may be cause for removal from the current and/or future classes.
